[I'm Really Not Tired](#)

- * Alabama Camellia Children's Choice Award list 2009-10

"...explores universal curiosity about what really goes on in a child's house at night. It will strike a chord with kids and parents alike.... The illustrations feature... action and facial expression... a colorful yet distinctly nighttime palette... a good choice for bedtime reading." -Children's Literature

"This bright, lively book is sure to be a hit... Though the rhyming story is sweet and moves along nicely, the real hit of the book is Sam's imagination revealed in all its magic on each page. This one will bring giggles from the kids and warm smiles from their reading parent." -MyShelf.com
