Subject: BEA and new Flashlight Press books

story books that explore and illuminate

Expanding, Worldwide Distribution of Flashlight Press books

We are very pleased to announce, and welcome, our expanded circle of distributors for our award-winning and growing line of Flashlight Press books: Canadian Manda Group to our north, Gazelle in the UK and Europe, John Reed in Australia and Jay Books in New Zealand, Phambili in Southern Africa and Fathima in Asia. These fine booksellers join our US distributor Independent Publishers Group (IPG), bringing Flashlight Press books to your favorite bookstore and bookseller.

BEA and Flashlight Press books

New books will be featured at the Flashlight Press shelf in the New Title Showcase - Combined Book Exhibit at the entrance to the trade publishing conference BEA (BookExpo America) in NY next week (June 3-5). Our books will be available to resellers at preferred terms through IPG (booth #2721).

Publisher Harry Mauer, as well as several of our authors, will be in attendance.

In addition, we are most pleased to announce the release of our first catalog (Fall 2005). Please pick up a copy from IPG (or our overseas distributors) at a forthcoming fair, or send us an email to receive a complimentary copy.

Flashlight Press is an independent publishing house specializing in quality illustrated books for children that explore individuality, creativity and growth. Flashlight Press titles are available through your favorite bookstore or bookseller.

You can read more about our current and forthcoming titles at www.FlashlightPress.com.

Sincerely,

Harry Mauer
Publisher
